You will learn how to really use these effectively to produce amazing professional documents, spreadsheets and presentations, and with the use of our breath-taking shortcuts, it needn't take you hours!

PowerPoint with a PASSion

Many office professionals use Microsoft PowerPoint regularly, but few use this program to its full potential. It has so many useful shortcuts, designed to make your life easier.

For example, instead of struggling to line up objects in a slideshow, press shift + F9. This will display gridlines to help you align your images perfectly.

What else will you learn on the day?

- ★ Working with slides and text
- ★ Formatting your slide
- ★ Making all images the same size with two clicks
- ★ Animation and sound
- ★ How to make your screen black by pressing just one button
- ★ Insert new slides with two keys
- ★ How to draw on top of your slides during your presentation
- ★ Every shortcut you will ever need – and more

Taking the fear out of Excel

Many office professionals have a fear of using Microsoft Excel. However, this program is not just a useful tool for accountants and actuaries!

Have you ever struggled to come up with just the right formula for your work? Next time press shift + F3 and ask Excel what you want it to do.

Want to create a chart instantaneously? Select your data and press F11.

You will also learn:

- ★ The absolute basics
- ★ Formatting and working with workbooks
- ★ Handling a cell
- ★ Moving around cells

“

This course gave me the confidence to tackle Excel and the feeling that I can speak the Excel language!”

Emma Stickland – *Lloyd's Register*

“

Great course, much better than previous courses attended. Paul – fab trainer. Thought listening all day with no “hands on” would be a long day – totally wrong – had a great day. Thanks Paul!”

Liz McLeod – *William Grant & Sons Ltd*

“

I really enjoyed the course and thought it was very thorough and spot on and the trainer was very knowledgeable and informative and very funny. We need time to digest and put it into practice in order to make it all worthwhile. It was a real breath of fresh air and very beneficial – we need more of the same.

Jean Wilson – *BT Group plc*

“

It has been great, especially the Word session today – especially things with regards to the setup and formatting: footers, different formats in same file, quick tools, etc. Already using some of it and made myself a nice template.”

Executive Summary for Managers

Today's PA was named the UK's "Best PA Training Provider" four years running (2014, 2015, 2016 and 2017), having been voted for by thousands of PAs in the pa-assist.com Members' Voice Awards.

Both inexperienced PAs and the seasoned executive PA veteran will benefit from our Word, PowerPoint and Excel Masterclass.

We will show your PAs that computer is the best and safest place to store their tasks, projects, lists, thoughts, and anything else they cannot afford to lose or forget. They'll also be able to keep track of them efficiently and effortlessly, become more organized and automate those tedious, mundane and time-consuming tasks.

We will show your PAs amazing tips and shortcuts across Excel, Word and PowerPoint, that will absolutely transform the way they work and save them up to 1.5 hours per day. Imagine what they could do with all that extra time! It's not unusual for our PAs to get in touch with us after the workshop, and report a newly found sense of certitude and satisfaction at work upon their return to the office. This positivity can only mean amazing things for you too!

Why choose the Word, PowerPoint and Excel Masterclass?

What makes this Word, PowerPoint and Excel Masterclass stand out from all the others is mostly that it has been created by PAs and is targeted directly at PAs and other admin professionals. Not only will your PAs be receiving the very best in training from us, but they will be surrounded by a wealth of knowledge and experience in the form of the other office professionals present. They will feel positively spoilt by this rare training and networking opportunity, and will return to work feeling confident, empowered, motivated, and of course with completely current expertise.

Group work and discussion are encouraged throughout the workshop. We don't simply talk at our PAs; we involve them, listen to them and work with them. We make sure your individual PA's needs are met.

We know, that with so much valuable information to impart on our PAs there really is a lot for them to take on board. That's why we've gone that extra mile to ensure that your PAs really takes away as much as possible from this workshop. We provide them with easy to navigate, comprehensive hand-outs, covering everything discussed in the workshop, and much more. As a graduate of this workshop, your PA will become a lifetime member to our PA network; no question too big or small, we are always at the other end of the phone or email, ready to help.

“

"I've learnt more today than in any other training in my career and I'm excited by it! Would very highly recommend!"

Charlotte Lutz - Network Rail

“

Excellent course that was very informative and delivered in a punchy + upbeat way. Most training courses are delivered in a monotonous fashion so they become boring and people lose interest. But this was on the button all the way through."

Having worked first hand as a Personal Assistant, Paul is able to articulate the difficult situations that PA's can face in imaginative and inventive ways. The support Paul and his team offers didn't stop there, with guidance available long after I'd left the classroom"

Amanda Snowdon – Leeds University

Pre-course assessment

When you commit your valuable time to this course, we want you to know that we understand and recognise that commitment. We want to do everything we can to ensure that the workshop is thoroughly worthwhile for you. Being properly prepared will play a key part in achieving that success. Indeed, your success is our success.

If you get what we promise from the course – and we know you will – we're confident you'll recommend us to peers and colleagues. Just before you attend the course, we would like you to complete a short questionnaire to give us a snapshot of the kind of person and PA you are, how you became a PA, your issues and frustrations, hopes and ambitions.

When you arrive, you'll be able to feel that you're among friends who understand you – and you are, because your trainers and course designers have all been where you are now. Doesn't that give you a warm, fuzzy feeling?

Once the workshop is over, we don't just wave you goodbye and close the door. When you leave, you take with you our ongoing commitment to your success, including:

PAul has spoken at many conferences in the UK and abroad, and presented seminars at the office* show, the Meeting Show, OMPA, The PA Hub, local and internal PA networks, to name a few. He is experienced, witty and captivating – just what your delegates need.

A training course that really scores

All Today's PA delegates are asked to evaluate the course as it finishes. Delegates regularly give us 5 out of 5 – and 1 in 6 have said it's the best course they have ever attended!

In-house bespoke training

If you can't make it to one of our venues, don't despair – why not let us come to you? There are many good reasons for keeping the course in-house: it makes for greater efficiency, and ensures everything is focussed on your organisation. The course can be tailored to your organisation's specific needs, to perfectly align with its culture and values. Your PAs can also network and share their experiences of the course, thus strengthening the PA role within your organisation. Contact us to discuss your training needs.

“

The conference surpassed my expectations. I enjoyed it so much and felt empowered at the end and with a new lease of life for my new role as PA!”

Lucy Taylor – *Seatriever International Holdings Ltd*

“

I thoroughly enjoyed the conference and found the speakers to be very informative; a very diverse and good selection of speakers there. I took away a number of pointers that I can transfer to my own EA role.”

Kirsty Whitton – *Deloitte LLP*

“

I hired Paul to provide personal development to 10 board level PAs at Enterprise Plc in the form of a 2 day training session. The session covered a wide variety of subjects that he tailored to meet the needs of the PAs. The course was conducted at our offices and was excellent value for money. I cannot rate Paul's teaching highly enough, he gave us all a fresh perspective on PA working, saved us all time and provided brilliant tips. He understood completely how a PA works (as he has been one) and what a boss demands (as he is one). I would have no hesitation in recommending Paul as a provider of PA training.”

Elisabeth Lloyd – *Enterprise*

“

I learnt a great deal from the Today's PA course. Not only was it extremely beneficial, it was enjoyable, well organised and packed full of useful, practical tips. By using the tips and putting new systems in place, as soon as I returned to work, it made me more organised and allowed me extra time to concentrate on other, more important things. I highly recommend this course and already have another four colleagues booked to attend it.”

Simonê Meier – *Executive Assistant to the CEO of Cancer Research UK*

“

I would just like to say thank you for such a fantastic event. This was my first PA conference and I took away some really valuable tips, tricks and contacts back to the office. The set-up, venue and speakers were a brilliant choice.”

Charlotte Smith – *University of Cambridge*
